Changed Managers

Monday morning J. Q. Adams sold his interest in the Triplett Opera House to A. W. Wires and also resigned as manager. The board of directors elected Mr. Wires to fill the vacancy caused by Mr. Adams' resignation but we believe that by his resignation Chariton County has lost its best opera house manager. If there are any better in the county or in any town in the state the size of Triplett we like to meet them. We feel that the Opera House has lost a good manager, but we believe that in the selection of Mr. Wires the directors have picked a worthy successor to Mr. Adams.—Triplett Tribune.

Why The Difference!

"The story goes that a man in Minneapolis bought, at one of the great mills in that flouring capital of the world, two barrels of flour. One barrel he ordered put on a dray and delivered to his home in the outlying part of Minneapolis; the other he put into a car that was being loaded for seaboard, steamship, and Liverpool. He kept tabs on the expense of both deliveries, and when they had been made found that it had cost him a trifle more to deliver the barrel by dray in Minneapolis than the barrel that went 4,000 miles by rail and steamship to Liverpool!" It is needless to add that this was "before the war."

GIRL COULD NOT WORK

How She Was Relieved from
Pain by Lydia E. Pinkham's
Vegetable Compound.

Taunton, Mass.—"I had pains in both sides and when my periods came I had to stay at home from work and suffer a long time. One day a woman came to our house and asked my mother why I was suffering. Mother told her that I suffered every month and she said, 'Why don't you buy a bottle of Lydia E. Pinkham's Vegetable Compound?' My mother bought it and the next month I was so well that I worked all the month without staying at home a day. I am in good health now and have told lots of girls about it."—Miss CLARICE MORIN, 22 Russell Street, Taunton, Mass.

Thousands of girls suffer in silence every month rather than consult a physician. If girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion would take Lydia E. Pinkham's Vegetable Compound, a safe and pure remedy made from roots and herbs, much suffering might be avoided.

Splendid For Rheumatism

"I think Chamberlain's Liniment is just splendid for rheumatism," writes Mrs. Dumburgh, Eldridge, N. Y. "It has been used by myself and other members of my family time and time again during the past six years and has always given the best of satisfaction." The quick relief from pain which Chamberlain's Liniment affords is alone worth many times the cost. Obtainable Everywhere.

"Suicide"

Lafayette Chandler, a negro who worked as a hired hand on a farm near St. Charles, shot and killed Sheriff Dierker of St. Charles county, perhaps mortally wounded deputy sheriff Joseph Olendorff after having fired two shots at the home of a former employer with whom he had fallen out and left, was surrounded in a barn on the farm of his then employer, and finding that he would be captured, came out when the sheriff with a posse surrounded the barn, shot the sheriff and deputy and was riddled by a hundred shots and allowed to burn with the barn he had fired. At supper time and when the family were at supper, Chandler appeared at the door of Ernst Plackmeier Tuesday evening of last week, shot at Mrs. Plackmeier and missed, then shot at her husband who dodged as the gun was pointed at him and the gun was pointed at him and the charge of buckshot went thru the opposite side of the house. Chandler then he had killed the man and fled to the home of his employer where he tore the telephone from the wall and went to the barn to hide. A neighbor boy saw him going into the barn and the negro saw the boy and told him that he would kill him if he told where he was. The boy went immediately and told and the sheriff was phoned for. He and his deputy and a large number of neighbors of Plackmeier went to the barn and the negro set fire to it from the inside and came to the door with a stolen gun in his hand, the same with which he had undertaken to murder Mr. and Mrs. Plackmeier. The sheriff asked the negro to come along and started toward him, his deputy following, against the warnings of the crowd. When close to the negro, he raised the gun and fired a charge of large shot into the stomach of the sheriff and then shot the deputy. As the sheriff fell he shot at the negro but missed, and instantly a hundred shots were poured into the negro. He burned with the barn. A coroners jury returned a verdict of suicide. Two other negroes in jail were sought and had to be taken elsewhere to escape the frenzied community.

Should Not Feel Discouraged

Try Some Bees

A stand or more of bees adds greatly to the living in the cold winter days if you have buckwheat or anything else on which honey fits admirably. Then too, if you have more than you can eat, and if you know what's good, unless you have an unusual number of good working stands, you will not, you can get a good price for the surplus at any time.

Grain For Hogs on Pasture

While the cost of producing pork may be reduced by the use of green feed, it is desirable to feed grain in addition. There is no time that grain can be so profitably fed to a hog as when he is young and running on pasture. Under such conditions, it is possible to secure 15 pounds of gain for each bushel of grain fed. During the spring, summer, and early fall months from one-half to three-fourths of a full feed of grain will be sufficient for hogs running on pasture.

ORDER OF PUBLICATION.
State of Missouri, County of Chariton, ss.

In the Circuit Court, May Term, 1916.

William Brockman Plaintiff

vs.

Edward Schehrer, John Schehrer, Anton Schehrer, Adam Schehrer, Fred Schehrer, Alma Branch and Andrew Branch, her husband Defendants

Now at this day comes the plaintiff herein, by his attorneys and files his petition verified by affidavit, alleging, among other things that defendants, Anton Schehrer, Adam Schehrer, Fred Schehrer, Alma Branch, and Andrew Branch, her husband, are non-residents of the state of Missouri and that the defendants Edward Schehrer and John Schehrer and the plaintiff William Brockman are residents of Chariton County, Missouri, but that the defendant John Schehrer has absented himself from his usual place of abode in this state so that the ordinary process of law cannot be served upon him.

Whereupon it is ordered by the undersigned Clerk in vacation that said defendants, John Schehrer, Anton Schehrer, Adam Schehrer, Fred Schehrer, Alma Branch and Andrew Branch be notified by publication that plaintiff has commenced a suit against them in this court, the object and general nature of which is to partition among the various parties to this suit the following described real estate, to-wit:

The south half (½) of the north west quarter (¼) of section six (6), township fifty-six (56), range nineteen (19), Chariton County, Missouri, containing approximately 70.44 acres, and sixty (60) acres off the south side of southeast quarter (¼) of section thirty-six (36), township fifty-seven (57), range twenty (20), Linn County, Missouri. Said petition alleges that the plaintiff is the owner of an undivided one-seventh (1-7) interest in said lands by purchase from one Charley Schehrer, and that the defendants Edward Schehrer, John Schehrer, Anton Schehrer, Adam Schehrer, Fred Schehrer and Alma Branch are the owner each of an undivided one-seventh (1-7) interest therein; that they own said land as tenants in common, and that plaintiff is entitled to partition thereof. Said petition further alleges that the defendant Andrew Branch is the husband of defendant, Alma Branch and has no interest in said land except his marital interest therein as such husband.

Now, unless the said John Schehrer, Anton Schehrer, Adam Schehrer, Fred Schehrer, Alma Branch and Andrew Branch, her husband be and appear at this court at the next term thereof, to be begun and holden at the courthouse in the city of Keytesville, in said county, on the 15th day of May next, and on or before the first day of said term, answer or plead to the petition in said cause, the same will be taken as confessed, and judgment will be rendered accordingly.

And it is further ordered, that a copy hereof be published, according to law, in the Chariton Courier, a newspaper published in said county of Chariton and designated by plaintiff's attorneys for 4 weeks successively, published at least once a week, the last insertion to be at least fifteen days before the first day of said next May Term of this Court.
